

Nene Valley Rock Festival – 2024 TICKET TERMS & CONDITIONS

Summary – the simplified version!

Like many things, there are Terms and Conditions applicable – the “small print”. We need to tell you what they are, and you’ll find them in the details below. It is, of course, important that you follow them all so if you think you might break them, it is your responsibility to read the detailed Ts & Cs first!

However, much of the detail boils down to a handful of simple and obvious things you would expect:

1. Behave reasonably. If you don’t we may throw you out!
2. We have no plans to change the line-up but due to circumstances beyond our control it might change. You are buying tickets for the event as a whole, not individual bands, so we won’t offer refunds should that happen.
3. You can’t bring your own drinks into the music arena, other than water/soft drinks up to 750ml, and if you do they should be in plastic/unbreakable containers, not glass. This condition will be enforced at the entrance to the music arena. There are two reasons for this – without the revenue from the bar we would have to increase ticket prices to cover costs, and also it is a condition of the alcohol licence.
4. Only buy tickets from us. If you buy a ticket from a third party and it proves to be invalid (a scam), you won’t be let in unless you buy a valid one from us.
5. We might film or record any part of the event and you understand and accept that.
6. Anyone under 16 must be accompanied by someone over 21.
7. Don’t bring any restricted items into the arena. You accept that you, and any bags you bring, may be searched by our staff to ensure you are not bringing in anything that you shouldn’t. There is a list of obvious items on the website and a more extensive one in the details below. In particular don’t bring anything that any reasonable person would consider dangerous – our security staff won’t let you in!
8. We do not condone the use of illegal drugs and if you try to bring any into the arena you won’t be allowed in, the security staff will confiscate them and may report you to the Police.
9. Smoking is not permitted inside the marquees. Please dispose of cigarette butts in the bins provided.
10. This is a music festival – smoke machines, lighting effects (including strobe effects) and pyrotechnics may be used. Please be aware of this and if these affect or worry you, take appropriate precautions.
11. In the unlikely event that the whole festival is cancelled then we will refund everyone. Refunds to individuals are only available from us in very specific circumstances that are defined below – please consider taking out your own event insurance if you consider this to be a risk.

We have some FAQs on the website, please refer to them at www.nvrf.rocks/faqs.

Remember this – these Ts & Cs are in place to make the event a fun, enjoyable success for everyone, not to make life hard!

Have a great festival – we’ll see you there!
